

A
WOOD

LOFT COLLECTION

The A|Wood Loft Collection is comprised of 10 thoughtfully textured engineered planks. The patterns are natural yet intriguing, the tones are rich yet subtle.

Inspired by surfing destinations across the world, our colors range from sandy OAK and light drift ash to chocolate chestnut. Designed to bring your conscious mind to the sun’s warmth on your face and a crisp ocean breeze on your skin, we are proud to introduce a series that indulges your classic sensibilities with modern twists.

LOFT COLLECTION | Curated Engineered Collection

This collection is comprised of 10 specially designed engineered planks in natural patterns and tones, with rich textures and color palette. Inspiration for this palette is drawn from worldwide surfing beaches. Colors range from sandy OAK to light drift-ash and milk chocolate-chestnut, indulging both classic sensibilities and modern twists.

If you are interested in exploring your imagination beyond our curated collection, please consider our custom curation service.

A|Wood Custom Curation

Don't limit yourself. If you can imagine it, we can create it. The A|Wood custom curation service is led by a team who sources materials from all over the world. Our custom capabilities are as endless as your imagination. By the way, our high quality doesn't kill your wallet.

Our global sourcing team can help you find a match for an existing design plan or create something brand new. If you have a current product in mind that doesn't meet your expectations, we can find the solution for you. We can also help you create a look from a blank canvas. Imagine what you can create.
