

LUXURY VINYL TILE

The A|LVT collection offers 12 urban wood looks and 6 urban stone looks with a design spectrum suitable for many styles and applications.

**Luxury Glue Down system:** provides a strong and long-lasting permanent installation with a lower life-cycle cost.

**ACC Clic system:** simple, fast, clean, and versatile installation.

A|LVT products are low maintenance with no polishing, sealing, or waxing required. Each look features a durable, abrasion resistant wear layer for a beautiful appearance that lasts many years.
